WELCOME BACK!

OCTOBER 10, 2007

We are very excited to get everyone back in the water - as well as

WELCOME OUR MANY NEW TEAM MATES! I have copied the practice schedule that it in effect through October on the back. Please follow this schedule through this month.

I am happy to welcome back many

of our coaches and excited for you to get to know new members of our coaching staff. Next week's newsletter will outline WHO IS WHO!

Please make a habit of reading this update, checking the web site...etc—so that you are UP TO DATE on the many details and changes that arise.

MEET SCHEDULE & SIGN UP

I am waiting for a few confirmations from Fenwick—before publishing the meet schedule...but it should be available and on line by next week.

Meet participation is an important part of competitive swimming! This fall, we will offer low key meets & intra team opportunities to expose newer swimmers to meets and racing. I encourage you to encourage your swimmers to "get their feet wet" and participate!!!!

Look for the schedule next week!

Fenwick...Locker rooms...parking

During the construction—access to Fenwick will be worse than ever. We hope that the parking lot reopens in December—but until then—please be considerate and patient!

At this time, there is NO boys locker room...so boys need to arrive with their suits on. There is a rest room outside of the glass doors.

ALL swim bags and personal belongings should be left on the bleachers in the pool area—NOT IN THE LOCKERROOMS. The locker rooms are too small and too many people go in and out.

PLAN TO PICK UP SWIMMERS IMMEDIATELY FOLLOWING PRACTICE!
