### **2010 Winter Swim Team Prep Class**

Swim Team Prep class is designed for those swimmers who wish to increase their endurance or plan to join a swim team. It is an excellent way to see if you and your child want to participate in the sport of competitive swimming. If you register your child for this class and your child does not meet the skill requirements the child will be placed in a Cub class. Please ask for a skill assessment if you are not certain. Children taking the Swim Team Prep class are required to have goggles and fins. These items are required on the swim team so they will continually be used. A swim cap is recommended for girls. **The instructor WILL NOT be in the water with this class on a regular basis.**

Swim Team Prep Classes are 55 minutes and the class is offered on both weeknights and Saturdays: M/W, Tu/Th and Sa  
Weeknight Start Times: 4:30 PM, 5:30 PM & 6:30 PM Saturday Start Times: 10:30 AM & 11:30 AM

Weeknight classes are six weeks long (9 to 12 Classes). Saturday classes are ten weeks long (9 Classes).

Make-Up/Missed Class Policy - Each child that is scheduled for swim lessons may schedule one make-up or subtract the cost of one class (rounded to the nearest whole dollar) from the next session. If a child misses more than one class, no make-up or refund for that class will be offered and the cost of that class is forfeited. We are sorry for any inconvenience this may cause. If extenuating circumstances arise please contact Becky Stopkotte at 317-664-1930 or fastswimlessons@aol.com to discuss possible options. If you register your child for a session knowing that they will miss two or more classes, please plan to forfeit the cost of at least one of the classes.
