NASA Swim Cap orders (due 9/23/09)

Swim caps are required for meets and are available in two materials: Latex (less expensive) and Silicone (more durable)

Caps can be personalized with your swimmer's name only if ordered now. Personalized caps must be ordered in a minimum quantity of two (2). Subsequent cap orders cannot be personalized.

The benefits of personalization:

- fewer "misplaced" or mistaken caps reduces the chance of loss
- names assist coaches, timers and officials in identifying swimmers in water and on-deck
- helps parents identify their children at meets

Please place your cap order below, and include total due in last line of gear order form. Orders due 9/23/09.

Cap Style	Price- each	Quantity	Total cost
Latex Personalized (min 2)	\$5.40		
Silicone Personalized (min 2)	\$14.00
