www.kingaquaticclub.com

Dear Members,

It has been 1-1/2 months since the membership voted to transfer ownership of KING Aquatic Club to Sean Hutchison, and form the KING Aquatic Club Boosters Association. The old King board has now finished re-organizing, and the newly formed KING Boosters board of Directors wanted to catch you up on the progress.

First, if you haven't already seen this on the website, please welcome the board of Directors:

Lisa Vetterlein – President
Mary Schumacher – Treasurer
Tim Wold – Secretary
Julia Hansen – Meet Director
Mark Moffatt – Directory of Fundraising
Sharon Perry – Director of Volunteers
Mark Prothero – Member at Large

We also thank Eric Lindblad and Mike Marchand for their dedication to KING during their tenure.

Sean Hutchison, or a KING Coach Representative, will also attend board meetings keeping ideas & communication of KING's vision flowing so we, KING Boosters, can best support that with the monies, you as members raise, to help our athletes reach their fullest potential.

Speaking of money and fundraising...that is our primary goal. The KING Boosters Association budget will be based on the retained earnings of the previous season's fundraising efforts. For the remainder of this year, only funds raised at the 2007 Swim-a-thon are available to spend. Here is a brief breakdown of proposed budget expenditures for balance of this season:

Annual Banquet
Athlete travel, Chaperone travel, Coach travel
Mini meets
Relays
Swimmer awards and incentives
Scholarships (in planning stages – applications/policy forthcoming)

We are in a new and exciting position as the Boosters Club for KING. We will continue to rely heavily on the website for the disseminating of information: log in (often), select the Boosters tab, and browse what is new, needed, or just updated. The newly adopted bylaws are now posted, as are the members of the board. If you have questions or suggestions, feel free to email any of us.

In closing, please note that the 2008 Swim-a-thon is around the corner (March 24th & 25th). More information on that will be posted on the website soon. As needed, volunteer often, and have fun, just like we tell our athletes to...while they swim fast.

Regards,

Lisa Vetterlein
