Dear members,

KING Boosters extends a welcome to our new KING members, and a welcome back, to our returning families.

We offer our gratitude to Mary Schumacher and Mark Prothero; who with each of their daughters heading off to college this fall, have retired from the board. Their insight and years of dedication to KING and the Board is greatly appreciated and has been invaluable. We also welcome Nancy Terry, whom the board appointed to fill Mary's position as treasurer for the remainder of the term.

Just as each new swim season is full of renewed anticipation and excitement for improved performance in the water, Boosters has the same excitement for providing new and expanded avenues to serving KING members out of the water. Join us on the 20<sup>th</sup> of September as we host the 3<sup>rd</sup> annual "Back to Swim BBQ". This is a great opportunity to gather in one place from our many different training sites, enjoy good food and friends, meet new people, order TYR team suits and supplies from IswimUSA, and welcome head coach, Sean Hutchison, back from his successful work with Team USA at the Olympics in Beijing. For more information check the events page on the website.

Coming soon to the Boosters section of the website:

- Income statement for the 2007-2008 season
- Retained earnings budget "actual" for the 2007-2008 season
- Board approved budget for the 2008-2009 swim season
  - Included in this years budget, Boosters is pleased to supply each of our athletes one KING team logo T-shirt. We should have these available at the BBQ; so be sure to pick one up. Additional T-shirts will also be for sale at the BBQ.
- Service hours FAQ. The preliminary FAQ should be up soon, and the goal will be to update it with the answers to questions we receive from you.

And speaking of service hours...in an effort to help families with planning, here are some KING Boosters hosted events that will offer many opportunities for completing your service hours:
