

## Special Olympics Anne Arundel County

Special Olympics Anne Arundel County is a year round sports program for children and adults with mental retardation/developmental disabilities. Training and competition is offered throughout the year in more than fifteen sports. Athletes may advance to the state and international levels. In the early 1960's the concept for Special Olympics was started by Eunice Kennedy Shriver in Rockville, MD. Anne Arundel County began its program in 1970. Our goal is to integrate our athletes into society under the conditions that they are accepted, respected and given a chance to become more productive citizens. Special Olympics is a volunteer program with all funds going to the training and competition of our athletes. We receive no public funding; our support comes exclusively from individuals, organizations, and corporations.

Special Olympics Anne Arundel County  
6147 Franklin Gibson Rd  
Tracy's Landing, MD 20779

## Liberty Mountain Racing Team

LMRT athletes and alumni have competed in the Junior Olympics, raced for Division I & II colleges, competed as pro- and extreme skiers, become excellent adult racers, and simply improved their overall skiing ability. By supporting the Liberty Mountain Race Team (a 501c3 organization), you are helping to ensure that our members have a positive and safe learning experience. Your contribution directly supports our development racing programs, and help us realize our teams vision of developing every member to their highest potential while creating a lifelong passion for the sport of skiing.
