

Crimson Aquatics (Boston branch) is seeking experienced coaches to work with the Junior, Senior and Age Group swimmers in our program. These group practice in the Waltham and Boston area, starting September 2, 2015.

Crimson Aquatics is focused on motivating, teaching, training and young athletes to achieve their potential in competitive swimming in the belief that this experience will provide "life skills" that will prove to be invaluable assets throughout their swimming career and adult life. We are looking for an individual who works well with others, is passionate about swimming and has strong communication and people skills. This individual will be dedicated to laying foundations necessary for athletes to be successful throughout their entire career.

Responsibilities: 1) Conduct workouts 5 days per week. 2) Assist Head Coach with administrative tasks relating to the team including swim meet arrangements and team performance as well as communications with parents. 3) Work closely with the Crimson Aquatics staff and other coaches on issues that concern the club as a whole. 4) Participate in weekend swim meets as required.

Qualifications: previous work experience coaching, preferably CPR, First Aid and Lifeguard certified.

Compensation: Based on experience and qualifications. Qualified candidates should direct their cover letter and resume to adriana.marmolejo@olympian.org
