Dear Condors Swimmers and Families,

The NYSA Fall Classic meet will take at Felix Festa Middle School and will be attended by our Bronze, Silver and Gold groups. So far this season we have 71 qualifiers for the MIT meet, and we are looking to add to that list. We are off to a fast start this season and we are looking to have more stand out performances at this meet. Not only do we want our team presence to be prominent in the water, but we want to be noticeable in our cheering and enthusiasm towards our teammates.

You will need to have the new white cap for this meet and the rest of the season. Please be sure to show up on time wearing your Condors team gear. All swimmers will need to check in before warm-ups or they will be scratched. Also, make sure you have your water bottles and snacks to re-fuel during the meet.

Sincerely,

Coach Wagner
