## Message about the Officiating Clinic @ State Meet

---

Please pass this along to the officials on your team. I sent out a broadcast e-mail, however, I do not have current e-mail addresses for all the officials.

We are planning on offering a stroke and turn judge officials training class between sessions most likely on **Saturday, July 24th**. Please encourage parents on your team to attend if they have an interest in becoming an official. The class will last about 2.5 - 3 hours and will prepare them to take the on-line certification exam and begin working as a provisional official during the fall season.

Thanks for your help and support. I am looking forward to observing some great by your athletes. Please do not hesitate to contact me if you have questions.

Regards,

Doug Welch
