# **NEW YORK SHARKS SWIM TEAM - 2010-2011**

## Registration Form

The New York Sharks has many expenses, with pool rental being the largest. This club has many obligations and even more superior swimming goals that must be met. This club has many needs that must be filled by parent volunteers. These needs can be overwhelming when done by a few, but can be quite manageable when done by many. If all volunteers understand that anything done for the New York Sharks will only make the New York Sharks better for your swimmer or swimmers and will make for a better swimming environment.

The New York Sharks is creating a NYSA Parent Booster Club this year. This Booster Group will be made up of concerned and passionate parents that understand the need for financial and volunteer support. Please list any or all positions that you would be interested in volunteering for:

Booster Director: (Organizing all aspects of the Booster Club) \_\_\_\_\_ Helper: \_\_\_\_\_  
 Meet Coordinator: (Organizing the personal for each Swim Meet) \_\_\_\_\_ Helper: \_\_\_\_\_  
 Registration Chairman: (Organizing the registration each year) \_\_\_\_\_ Helper: \_\_\_\_\_  
 Fundraising Chairman: (Scouting for Fundraising Opportunities) \_\_\_\_\_ Helper: \_\_\_\_\_  
 Transportation Coordinator: (Arranging for Team Travel) \_\_\_\_\_ Helper: \_\_\_\_\_  
 Banquet Coordinator: (Arranging for annual Team Banquet) \_\_\_\_\_ Helper: \_\_\_\_\_  
 Graphic and Pictorial Artist: (Collecting and creating NYSA Graphics) \_\_\_\_\_ Helper: \_\_\_\_\_

These jobs will be run anyway that this person can find to make it work... with the help of others or by a selected committee. A couple of positions will have sub divisions.

.....

There is always a need for officials for New York Sharks. If sitting in the stands doesn't work for you, then you should be a top prospect for becoming a swimming official. I would be interested in becoming a USA Swimming Official: \_\_\_\_\_

.....

The New York Sharks runs a Learn-To-Swim Program and is always in need of instructors. Since competitive swimming usually has family origins, there maybe parents that used to swim and would like to teach swim lessons. I would be interested in becoming a NYSA swim instructor: \_\_\_\_\_ (name and contact information)

.....

Since it is noted in your contract that each family must work at least one session for each of New York Sharks hosted swim meets. Please list any and all jobs that you would be interested in for working at NYSA hosted swim meets at Felix Festa Middle School.
