Should they determine that abuses of entry times have occurred, they will require the offending clubs or individuals to furnish proof of time for their entries at the following year’s meet.
- ELIGIBILITY:** All swimmers must be registered as 2009 or 2010 athlete members of USA Swimming and members of Missouri Valley Swimming. Only those swimmers who meet the qualifying times are eligible to enter the meet. Please check Missouri Valley website for the current Level II qualifying times. The Missouri Valley Registration Chair will verify registration of entrants prior to the meet. Clubs who have entered unregistered swimmers must pay for their swimmers' registrations before they may participate in the meet. Age of the swimmer on the first day of the meet determines age classification for the entire meet.
- AGE-UP RULE:** If a swimmer whose 11th, 13th, or 15th birthday falls on or after the Level II Meet but before the Level I Meet, and has Level I times in his/her younger age group but does not qualify for Level I in the next older age group, he/she may enter Level II in the next older age group classification in any event in which he/she meets the qualifying time. The swimmer may compete in only one age group in the meet. These times need to be well marked and explained on the entry sheet.
- BONUS SWIM:** A swimmer who qualifies for a backstroke, breaststroke, or butterfly event at any distance in his/her age group may enter the same stroke at any other distance. The swimmer shall enter at the slowest yard entry time (Custom Timed) in those distances in which he/she has not actually achieved the qualifying time; do not enter at “No Time.”
- Please note:** The 15-18 age group is limited to swimmers aged 15-18 years old. This is not a Senior classification open to all registered athletes achieving the qualifying times.
- ENTRY LIMIT:** Swimmers are limited to three (3) events per day and six (6) events during the entire meet.
