

Greater Southwest Invitational

A team trip for Age Group and Elite Blazers

Feb 4-Feb 7, 2009

Loos Natatorium, Addison, TX

Swimmers having achieved "A" times in three different events in yards are invited to this meet and are strongly encouraged to make the trip. Swimmers with meter times will be considered case by case. It is an exceptional opportunity to unite as a team and perform at high levels. As is the case with our travel trips, we must plan pretty far ahead to ensure proper hotel accommodations, chaperons, budget, transportation, etc. Swimmers will have through our January Polar Bear meet to qualify for the trip, but we need to know your intentions ASAP for planning purposes. Please let your coach know your intentions to attend or not - **YES OR NO by November 25, 2009**
