Notes

In general, each swimmer will be in one of the three "Tracks" throughout the year. While this does not include every scenario, it gives a good general picture of what meets your swimmer will be eligible. It will also be common for swimmers to move "up" a track as they improve, and move "down" a track as the age up. Questions regarding eligibility for meets should be directed to the head site coach. If a meet says "Qualifiers", there are specific times for that meet in play.
