

Blazer Guide to Meet Commitments

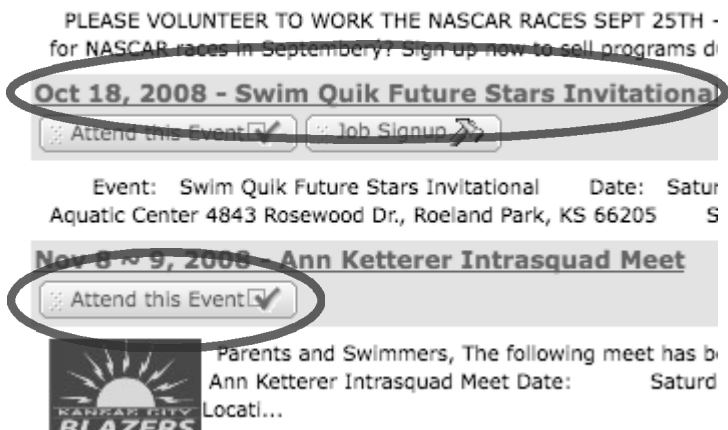

As we move forward into a new Olympic quadrennium and a new look to our web site, we have implemented a new method of entering/rejecting swim meets. Please follow the illustrated directions below, keep in mind that this is now THE method to manage your attendance at meets for the upcoming season.

As meets are listed, we will send out emails reminding you that your intentions need to be made, and the deadlines will be clearly marked. Once the deadline has come and gone, we will not be able to make changes to them. Remember, all athletes should be considered committed to a meet, and will be entered unless they choose to reject this meet. This policy has not changed.

1. You need to be logged in to www.kcblazers.com and click on the “EVENTS” tab on the top menu.

2. Once in the “Events” area, you will see a list of meets available for rejection, among other events. Clicking on the text of the meet will bring up a general information screen.

3. Clicking on the “Attend this Event” button will take you to the event signup area
