

LATE PICK-UP POLICY

Swimmers should be picked up promptly after all practices. At LIAC, the pool staff is on-site at all times, but at the Haskell pool, our coaches provide the only supervision for our swimmers. Many times, our coaches have other obligations following practice, and if a parent is late picking up their swimmer, our coaches must stay with that swimmer. If you are running late, please let the coach know through a phone call or text message. Another option is to contact another parent in your swimmer's group, so they can relay the information or supervise your child until you arrive. Please have that parent advise the coach of the arrangement if you can not reach the coach. Please check the website for phone numbers for your child's coach. *At the Haskell pool, any parent who picks up fifteen (15) minutes after the scheduled release time without prior arrangements or who chronically picks up their child late, as determined by the coach, may be fined \$5 for every 5 minutes that the parent is late.*
