 December 11-13th Level I Championships
 December 11-13th SCY Junior Nationals
 December 13th Frosty Frolic
 December 17th Holiday Party
 Check the website for more specific meet information.

COACHES CORNER

Aquahawks,

Hello parents and swimmers and thanks for reading the Squawk. November marks the start of our Fall / Winter meet season, so please sign up online now for the November and December meets on our web site. Also, sign up online today to be a volunteer at our IMX meet upcoming this weekend.

Last week, we kicked off the short-course season with the 2nd annual Trunk or Treat intra-squad meet at the LIAC. Special thanks to Don Hicks, who introduced the new Aquahawk splash shield at last weeks meet. The unit will help protect the computers and timing system from becoming soaked during our meets. Thanks also to all of our parents and swimmers who decorated their car trunks! Many of us are already looking forward to next years Trunk or Treat Meet.

The Aquahawks will also need your help with the Aquahawk Frosty Frolic B/C level meet. The meet is a one day meet to be held on Saturday December 13th, 2008. The volunteer sign up page will be up at Aquahawks.org soon. All Aquahawks who do not have "A" times are encouraged to participate in the meet.

As the weather cools remember to dress warm, dry your hair and wear hats and pants after practice and save those rides home in your towel for the summer time!

See you at the Pool.

~Coach Mike

Office Hours

Tuesday, Wednesday, & Thursday

10:00-2:00

Monday & Friday—by appointment only

Office phone # 841-8891

Attention Parents

In collaboration with the Lawrence Indoor Aquatic Center, we are asking parents not to park or stop in the circle drive where the T bus stops in front of the LIAC or block handicapped parking spots or block the pedestrian cross walk. Please park in the parking spots provided to wait and pick up your child/children.

Meet Directors Needed

Assume the role of Meet Director for one of our hosted meets per year and this would satisfy your volunteer requirements as stated in the Mandatory Volunteer Program. For more information contact Jim and Angie Evers

865-1662
