Club IMX Certificates						
Performance Reports ("wet side")						
Splashes by Event Report						
Club VCC Statistics by Age Group Report						
Time Standard Achievement Report						

Administrative/Demographic Reports ("dry side")

- **Membership Trends Report** for: Club, LSC, or National. Demographic report that shows last nine season's membership information such as number of year-round athletes, retention, age group breakdown, number of years with club, etc...
- **Club Athlete Roster**. Complete alphabetical athlete roster listing-includes athletes who have transferred to team and when they attach to the team.
- **Club Non-Athlete Membership Status**. Listing of all non-athlete members (coach and officials) that includes expiration dates for safety and athlete protection training items.

IMX Reports (IM Xtreme program)

- **Club IMX/IMR Swim Time Report**. List of IMX or IMR events for every swimmer on the team-will show IMX/IMR score or can show events that are missing.
- **Club IMX Statistics by Age Group***. Club report that shows the number of swimmers in each age group who have an IMX or IMR score over the past six swim years. Also computes a percentage of the team's swimmers in an age that have an IMX/IMR score.
- **Club IMX Certificates**. Print IMX/IMR participation certificates.

Performance Reports ("wet side")

- **Splashes by Event Report*** (can also be run for LSC, Zone and National). This report shows the total number of splashes swum for the team age group/gender/course/event over the past seven swim years. This could be very helpful in looking at the events that are actually being swum by the team.
- **Club Virtual Club Championship (VCC) Statistics by Age Group Report***. Shows the total number of points scored by gender/age/event of the past four SC and LC VCC seasons.
- **Time Standard Achievement Report*** (can also be run for LSC, Zone and National). Shows a break-down of time standards achieved for the club during the past seven swim years (gender/course). Also breaks down the percentage of swimmers on the club who have achieved the standards and shows national averages for the past two completed seasons.

* indicates new report as of September 2013
