

CREATE YOUR DECK PASS ACCOUNT

All USA Swimming members are encouraged to create a Deck Pass account. With this tool and mobile app, you will have real-time access to your membership status, times and other tools useful for athletes, parents, coaches and officials. Signing up for Deck Pass is easy. Simply follow the instructions below.

If you are a member of USA Swimming, be sure to link your USA Swimming membership to your Deck Pass account. Just follow the prompts after you sign up for Deck Pass to link your account to your USA Swimming membership. If you wish to complete this step later, you can go to **MY ACCOUNT** to make any updates.

When athletes link their USA Swimming membership to their Deck Pass account, all times from USA Swimming-sanctioned meets will automatically be updated on Deck Pass, so they can begin earning patches right away – or at least as soon as an athlete competes in their first meet of the season. Also, their coach can award patches for all the hard work done in practice and at meets.

To do this:

1. Go to USA Swimming's website, www.usaswimming.org.
2. Click on **SIGN IN** then **SIGN UP** under **REGISTER**.
3. Complete the **PROFILE INFORMATION** and be sure to link the account to the member's record.
4. Click on **MY ACCOUNT** and then click **LINK MY MEMBERSHIP** (type in first name, last name and date of birth).
5. After creating the account, click on **MY DECK PASS** in the top right corner of the page and accept the terms of conditions if requested.
6. On the left hand-side under **CURRENT STATUS**, click on **MEMBERSHIP CARD** and the membership card will be displayed as a pdf to print or view.
