I, as the parent/guardian of the swimmer shown above, certify that I have read the WAVE financial policy information on the back of this page and agree to all of the terms and conditions as enumerated. I realize that should my swimmer be enrolled in the WAVE program and participate beyond the initial two weeks; my family is obligated to full payment of dues and the entire family membership fee regardless of any early termination by our family.

Signed (by parent or guardian): _____ **Date:** _____

Please note that the second page must be read by a parent or guardian of each swimmer enrolling in the WAVE program and conditions fulfilled in their entirety and on a timely basis.

Fiscal Policies of WAVE Swimming

- 1) Delinquent or late payment of any of the program fees may result in a loss of swimmer practice time and meet participation until the payment is reconciled. Parents will be advised when a payment is past due. Delinquent families may receive up to 30 days to become compliant.
- 2) After an initial two-week membership (including the one-week evaluation), new swimmers to the program are considered to be obligated to the entire annual fee or session fee (whichever applies) regardless of the length of time the swimmer remains in the program. Should a swimmer cease practicing for any reason, a one month buy out equal to current dues must be paid.
- 3) Program fees are based on the number of swimmers expected to be in the program year-round, an appropriate coach/swimmer ratio and contracted lane rental times. Discounting fees when a swimmer is absent or unable to participate is not possible. If a facility closure beyond WAVE's control forces the temporary relocation of a practice group, families are still responsible for payment of program fees. WAVE makes every effort possible to provide alternate practice arrangements when a site becomes unavailable and to notify the membership in a timely fashion when such closures are announced to us.
- 4) Meet entry fees are collected on a pay-as-you-go basis in advance of the event. Once collected, these fees are nonrefundable. Fees must be received prior to the meet entry deadline.
- 5) Optional services such as Senior Team weight training charges, meet entry fees, social event costs and apparel purchases are not included in the WAVE program fees.
- 6) Members whose checks are returned by our bank will be charged a \$30 returned check fee per violation. Payments delinquent after 60 days will incur an interest charge for fees owed.
- 7) Fees for swimmers who move into a different practice group are pro-rated according to the fee schedule of the group to which the swimmer is changing.
- 8) Fundraising done by WAVE families can apply to the current and following year's dues; however, if a family leaves the WAVE Swimming program, any "excess" credit will remain in the WAVE general operating fund.
- 9) WAVE Relies on Volunteer Support of the meets that we host. Our volunteer support includes both working at our meets and making donations for our hospitality. These meets allow for reduced program costs and less travel expenses for our families. **Each** family is expected to work during each of our hosted meets whether your swimmer(s) are participating or not and to provide hospitality items. We do not have a monetary fine for not working as some clubs do, but ask that **each** family does their part to make WAVE a better program for the swimmers.

Program Fee Discounts Offered

- 1) All families who pay the annual program dues by October 1, 2009, for swimmers in Level 1 – Level 5, will receive a 5% credit on their account.
- 2) Multiple swimmer discounts are available to families with two or more children enrolled in the WAVE program at Level 1- Level 5 according to the following stipulations:
 - a. The second swimmer in a family receives a 20% discount on dues. This applies to the swimmer in lowest level group.
 - b. The third swimmer in a family receives a 40% discount on dues. This applies to the swimmer in the lowest level group.
 - c. The fourth (or more) swimmer in a family receives a 60% discount on dues. This will be applied to the swimmers in the lowest level groups.
- 3) A reduced registration fee per swimmer after February 1, 2010 may be offered.

Capital Campaign Assessment (ONLY APPLIES TO RETURNING WAVE MEMBERS)

In order to fulfill the team's obligation as a strategic partner in the Triangle Aquatic Center and future capital endeavors, WAVE Swimming is conducting a Capital Campaign. As a result, the Board of Directors authorized a mandatory, one-time assessment of all families who have been on the team for one or more years.

This **one-time assessment** is based on the number of swimmers registered with the team and whether it is paid as a lump sum or monthly:

1 swimmer \$500 (lump sum) or \$600 (if paid monthly up to 24 months)

2 swimmers \$750 (lump sum) or \$900 (if paid monthly up to 24 months)

3 or more swimmers \$1000 (lump sum) or \$1200 (if paid monthly up to 24 months)
