BAC TERVIS TUMBLER FUNDRAISER

Who doesn't love a Tervis tumbler? This high quality, American made, BPA free drinkware is equipped with a lifetime guarantee, portable cooling or self warming system (keeps drinks hot or cold!), dishwasher armor and much more all in one. They make the perfect gift for your BAC swimmer, family, friends and teachers.

40% of your purchase will apply towards your annual fundraising commitment.

There are many colorful patterns to chose from to fit your style and personality – including a limited edition BAC Tervis design which can be further personalized with a name, initials or favorite saying. You can choose from the Tervis 16 oz. or 24 oz. tumbler with lid or Tervis 24 oz. water bottle with easy open snap top. Add on colorful accessories to any such as a handle or shaker top to turn your tumbler into a drink mixer for smoothies and other beverages!
