**MEET FORMAT
WAIVER:**

The host club has the right to change the format of the meet with the approval of the sanctioning chairman and age group or senior chairman. These changes would be made for a more efficient swim meet for the swimmers and the host club. Reasons for these changes would be to allow more swimmers to swim; to conform to facility capacity limits or for facility safety concerns; to condense the meet into smaller time frame.

**INTERNET
WEB POSTING:**

Meet information and a Hy-Tek event list, importable into Team Manager, will be posted on the BE Smartt and New Jersey Swimming websites: www.besmarttinc.com and www.njswim.org

Additional pre-meet information will be posted at www.besmarttinc.com. A Hy-tek file of results, including splits, will also be available on the website.

Any changes to the meet format or schedule will be posted on the website.

**Meet Requirement
Statement:**

This meet qualifies, as "one" of the two required long course meets to be eligible for the New Jersey LC Zone Championship Team or for New Jersey National Championship Reimbursement. A swimmer who has participated in 1 long course meet and 3 short course meets from Sept 1 thru Aug 1 will also be eligible for the NJ National Championship Reimbursement.

COACHES:

All coaches "on the deck" must be members of USA Swimming with 2011 coaching credentials including background checks. Coaches must show coaching card with background check validation for entrance to facility. Coaches must show coaching card before picking up any meet information or scratch sheets. Coaches must have coaching card visible at all times while on deck, when entering hospitality area or when asking for food at concessions.

OFFICIALS:

Participating clubs are requested to provide as many USA-S certified officials as possible. Please email Judy Sharkey if you plan to volunteer.

**SWIMMER
ELIGIBILITY:**

Swimmers must be USA-S registered in order to enter and compete in this meet. All swimmers must be listed in the team's official entry file in order to participate in the meet, **including relay only swimmers**. Any transfer swimmer(s) must swim unattached for 120 days from their last competition. Please enter them as a separate team named XXXUN where XXX is the first three letters of your team abbreviation. Entries for swimmers without valid 2011 USA-S registrations will not be entered in the meet. NJ Swimming performs a registration check a few days after the official deadline and ineligible swimmers will be notified at that time.

There will be no qualifying times for this meet. Times converted from short

course are allowed.

Age is determined by the swimmer's age on **Wednesday July 13th, 2011**.

Swimmers
Unaccompanied
by a USAS
Certified Coach

Any swimmer entered into this meet that is unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

If a coach fails to return the scratch sheet to the control room by 30 minutes before the end of the warm up, the entire team will be scratched from the meet. A specific Warm-Up procedure will be created upon receipt of entries and emailed to participating clubs no later than one week prior to the meet. Since there are no time qualifications nor age group delineations, the Meet Host will be diligent about organizing a warm-up that provides a safe warm-up environment for the younger and/or smaller swimmers.

At the Meet Referee's discretion, Lane 1 may be designated a pace lane and Lanes 6, 7 and 8 may be designated one way lanes. Relay starts may not be

used. The warm-up will be conducted in accordance with New Jersey Swimming Warm up Policies. Uniformed and designated Safety Marshals will monitor warm-ups.

At least 1 week prior to the meet, psych sheets of the 400 IM will be posted on the Be Smartt website. Prior to the start of the meet (up to check-in), a swimmer can opt to remain in the event or select another event. If they choose to remain in the event and do not swim (due to not being in the top 64), they will not receive a refund of their entry fee.

All swimmers must be listed in the team's official entry file in order to participate in the meet, **including relay only swimmers**. If the meet fills and teams are closed out, then in order to provide the most “splash” opportunities, upon receipt of entries, the host team will allow all teams 5 days to “pre-meet scratch” (reduce their entries). This “pre-meet scratch” procedure is meant to allow additional teams into the meet based upon “entered” teams being “good citizens” and adjusting their entries based upon knowledge of swimmers non-attendance post entries received by the meet host. Room created by this procedure will be filled by entries received by “closed out teams” in the order the entries were received.
