

TPC MEETING – APRIL 6, 2018

3:00 PM

Attending; Jeremiah Stanton, Andrea Campbell, Tom Cyprus, Vickie Fellows, Linda Corliss, John Butcher, Amie Dunavent, Adrian Perez, Michael Perez, Celina Adame, Liz Brown, Doug Forbes

Taos had B Championships video available during the meet. Great job!

B League order of events:

We have 2 & 4 meets are longer than 1 & 3 meets

- Timelines are too long for 2 & 4, 6 hours.
- 25's only offered at 1 & 3 meet so little swimmers aren't attending the 3 & 4 meet.
- We need to make sure that we are offering novice meets, not events like 200 fly.
- There isn't enough meets where swimmers can swim the longer events because meets have time standards.
- Have 8 & unders swim a separate meet at the end of each novice meet.

RECOMMENDATION:

Redo the events of what is offered for each B league meet.

Mixed Relays at State:

Having a mixed relay it would have to be on Friday morning but we don't want to get the swimmers out of school for it.

- Wouldn't want to see the other relays suffer for it.
- What about mixing them into the relays we already have.
- Would be hard to score because you would have to hand score them separately.
- You could add them on Thursday night session.
- Is it for short and long? Both.

RECOMMENDATION:

To add 11-14 & 11 and Over 200 Mixed Medley relays (2 boys, 2 girls) to Thursday nights events at both long and short course state.

Short Course 15 Over Finals Format

Want to keep the format separate from short to long course, since they are different animals.

- 15 and over is great for short course but at long course we are getting college swimmers swimming and it is knocking out the younger swimmers from finals. Feel it would be better for long course to separate them out.
- Super final - take the top 4 in one heat, next 8 in the typical A heat.

RECOMMENDATION:

Add Super Final heat to all 15 & Over events at short course state that are not timed final.

Swimmers who have to choice between B or state meet:

- Don't understand how it benefits the swimmer to have to choice between the two.

-RECOMMENDATION:

Allow swimmers with 1 or 2 state times to swim at both but not those events at B champs. 3 or more would be either/or.

LSC spending a lot of money on B Championships:

- LSC is spending a lot of money on the awards, caps and things like that on the B championships. We are awarding mediocre performances.
- We need to encourage the novice swimmers so they stay with the LSC.
- Our LSC isn't increasing in size and giving these swimmers some encouragement will keep them staying in the sport.

RECOMMENDATION:

Look at the costs but nothing to move forward.

Meeting adjourned at 3:54 pm.
