Advertising prices are for each season (short course September-February and Long Course March-July) with the exception of the “personalized” notes which can be done either seasonally or each meet.

For advertising artwork, please supply either a business card or a high resolution logo (200-400 dpi) for the advertisement. If no artwork is included, please indicate what you would like the ad to say. If you would like for me to find a logo (not always possible) or if there is any type of clipart that you would like used. If given enough time, I will email a “proof” of what the ad will look like.

We will lay the ad out for you or you can provide the artwork exactly as you would like it to appear. Please see the sizes listed.

Please email the artwork and any questions to [dukecityaquatics.advertising@yahoo.com](mailto:dukecityaquatics.advertising@yahoo.com) ; if you are submitting anything other than digital artwork, please give it to a DCA Parent Foundation member or mail to
