

## John Herrick Drive Bridge Closure

The bridge that extends John Herrick Drive over the Olentangy River is closed through the middle of August. This affects drivers who typically use the Olentangy/Kinnear Exit (at Lennox) to get to the pool. It will also affect those who stay in hotels on Olentangy River Road north of campus. Please be aware as you head to the pool for the meet. Your GPS will likely guide you that way.

If that's your route, you'll either need to exit at Lane Avenue, then turn south on Fyffe Road, then east on Woody Hayes, then south on Cannon or Tuttle Park (depending on where you normally park); or you can exit at Olentangy/Kinnear like normal, then head south on Olentangy, then east on King Avenue, then north on Cannon Drive. Give yourself at least five extra minutes if this affects your route.

### Your Patience Please

There will likely be a line formed to exit, so please exercise patience when exiting the garage. If you did not pay on the way into the garage, please be prepared to pay by credit card when you exit. Paying by credit card will allow transactions to occur more efficiently than cash transactions.

Those who wish to avoid the possibility of experiencing a wait to exit the garage, or who would like to pay a flat rate, should park legally in an A, B, or C parking space in the Ohio Stadium lot (unrestricted spaces only) and pay the Pay-n-Display machine by credit card before parking. Parking cards should be displayed as directed.
