## **SEEDING**

The meet will be pre-seeded for all distances 200 meters and below. Events 400 meters and above (relays included) will be deck-seeded requiring a positive check-in by 9:00 a.m. the day of the event at the clerk of course. Individual events will be championship seeded for every heat for every event 200 meters and below and swum slowest to fastest. (Every individual heat 200 meters and below will have a seeded swimmer in it.) The 400 IM and 400 Free will swim: 3 circle seeded heats women, 3 circle seeded heats men, then alternating women-men fastest to slowest.

## **CHECK-IN**

All swimmers and clubs competing in 400 events (individual and relay), 800, and 1500 meter freestyle events must check in each day with the Clerk of Course for that day's events. Check in for individual distance events will close at 7 p.m. on Saturday night.

## **SCRATCHES**

Scratches prior to the seeding of heats shall be confirmed by properly filling out a scratch card and depositing in the scratch box. After the heats have been seeded, any swimmer who fails to compete in an individual event heat in which they have been entered and have not been scratched will be barred from further individual and relay events that day. No shows will also result in the swimmer being assessed a \$5.00 fine for each event.

For scratches before the scratch box opens, please email [adawson@athletics.tamu.edu](mailto:adawson@athletics.tamu.edu)

The finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals or consolation finals or any other bonus finals if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet and a fine of \$50.00. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above fines and banishment from competition, even though any qualified swimmer may be moved into finals. The alternates, after the existing scratches are tabulated, will not be penalized if they are unavailable to compete in finals. The USA Swimming National Championships Meets "reserve the right to scratch" rule is not applicable to any Gulf Swimming meet. The "intent to scratch" rule is not applicable to any Gulf Swimming meet.

Any finalist who fails to compete in finals or consolation finals, or any other bonus final heat, for which he has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations and will be assessed a fine of \$50.00. A Club, which has not paid the fine, will not be allowed to register for membership in the Gulf LSC until the fine is paid.
