Albany Aquatics Association Swim-A-Thon Fundraiser

The 2009 Swim-A-Thon is being held on October 22, 2009 during swim practice.

This year, we are continuing to raise money toward our goal of purchasing touchpads. We currently rely on the use of stopwatches and volunteers to determine final times for swimmers during our long-course swim meets. Touchpads will enable swimmers' times to be recorded more accurately.

| Name | Phone Number | Pledged Amount | Total Collected |
