2017 Tim Myers Memorial Short Course Senior Championship and Time Trials

Meet Information

Held under the Sanction of USA Swimming, Inc. Sanction #OH-18SC-01 / OH-18SC-02 TT QM17-???

November 17-19, 2017
Oxford, Ohio
Hosted by: Miami University Aquatic Club
Dear Swim Club Representative,

It is our pleasure to inform you that the Miami University Aquatic Club will host the 2017 Tim Myers Short Course Senior Championships at the Miami University Corwin M. Nixon Aquatic Center from November 17 thru November 19, 2017. Please read the meet information carefully. We have highlighted below some important issues:

- Ohio Swimming will be running a “D” Bonus final in all events 200 yards and below for 14-16-year-old swimmers who do not qualify for the Championship (A final), Consolation (B final) or Bonus (C Final) championship heats. 14-year-old athletes must be in high school and will participate in either the OHSAA or KYHSAA swimming series in the current academic year.

- All three days of the meet will be preliminals.

- This will be a Division by Team Meet. Divisions will be collegiate and non-collegiate. Athletes who competed in NCAA competition will be categorized under the collegiate division.

- We will be awarding medals to the Top 3 in each event (including relays). The Top 3 will be asked to immediately report to the awards stand following their race.

- Team Trophies will be awarded for women’s, men’s and combined high point. Individual awards for women and men high point for the top 15-16 year olds plus 17-18 year olds. A virtual team trophy is being created on the Ohio Swimming website for the team scoring the highest points.

- The Meet will be scored thru 20th place. This includes 2 places from the C Heat. If the event doesn’t fill the heats, points will be awarded accordingly. Neither the “D” (14-16) Final nor the collegiate division will be eligible for scoring.

- **All Star Mixed Gender 200 Medley Relay** - Each team is allowed to enter their best 2 girls and 2 boys for an All Star relay. This will be swum as the first event in finals Friday night. All teams entered will be entered in finals. A perpetual plaque will be awarded to the fastest Ohio Swimming All-Star Medley Relay.

- **50 Butterfly / Backstroke / Breaststroke** - Please note swimmers are still only able to compete in 6 individual events for the meet. These events will be Timed Final events and contested during the Preliminary session only.

The philosophy of the Ohio Short Course Senior Championship is to promote excellence within the ranks of Ohio Swimming. The purpose is not only to provide a venue for those Senior swimmers aspiring to attain Sectional and National qualifying times, but also to give all Senior swimmers within Ohio the opportunity to participate in a high quality competitive meet. The Ohio Short Course Senior Championship is open to all swimmers who meet the following criteria:

- High school athletes, 14 years old and older, who are in or beyond their freshman year and will compete in a high school swim meet during that academic year;

- Collegiate or Masters athletes;

- Disabled athletes who meet the eligibility criteria that are required of other meet participants.

We encourage all teams to support this meet. We want to continue making this an exciting event for all our senior athletes at all levels.

Sincerely,
Norm Wright
Senior Chair – Ohio Swimming

Meet Officials and Certification

The Miami University Aquatic Club will need the help of your USA Swimming Officials. Please contact Edgar Caraballo at caraballo.ej@gmail.com to provide names of your officials who wish to volunteer.

All USA Swimming certified officials willing to volunteer should fill out and submit the Application to Officiate. Link to the online application can be found on the Meet Events page on the Ohio Swimming Website and the Meet Host website.

In addition, this meet will be an Officials Qualifying meet for certification at the N2 and N3 initial levels and for N2 and N3 re-certifications (QM). Officials wishing to be evaluated should indicate that in the online Application to Officiate. Link to the application is available on the Ohio Swimming and Meet Host website.

Note: To be evaluated for certification or re-certification at any level, an official must work at least 4 sessions at the meet, even if the evaluation requirement is for only 2 or 3 sessions in a specific position.

Special notice to those interested in obtaining National Certification as a Chief Judge, Starter, or Referee: First priority for assigned positions will be given to those seeking certification, as well as, a commitment to working all sessions of the meet. This better serves the athletes and provides a consistent training experience. Preference will also be given to those seeking either an N2 or N3 Evaluation. If the evaluation is for “Recertification”, then one must work the minimum number of sessions in each position in which he/she is recertifying. For specific requirements, refer to the USA Swimming website>Member Resources>Testing and Certification>National Certification.

Official’s uniform will be white over navy for all sessions. Shorts are permitted for Preliminaries. Long pants (men or women) or modest length skirts (women) will be worn for finals. White covered toe athletic or deck shoes for all sessions.

## Championship Procedures

### Rules

USA Swimming Rules and Regulations will govern the conduct of these Championships and will serve as the official guide for technical and procedural rules except as modified specifically herein.

### Membership Requirement

All meet directors, coaches and officials serving in an official capacity at a sanctioned event must be current members of USA Swimming and should be prepared to show a current USA Swimming membership card. All persons acting in any coaching capacity in a sanctioned event must be currently certified coach members of USA Swimming.

### Competition Guidelines & Meet Format

- This is a prelim/final meet all three (3) days.
- The 500 Free and 400 IM are preliminary / final events.
- Fly-over starts will be used in preliminary session events at the discretion of the Meet Referee.
- The 1650 Free is a timed final event. The preliminary heats will be swum fastest to slowest alternating women’s and men’s heats. It will be contested as the first event at finals (before the relays).
- The 50 Fly, 50 Breast and 50 Back will be Timed Finals Events contested only in Prelims.
- Single preliminary sessions for all swimmers on Friday, Saturday and Sunday with a final session in those evenings consisting of Bonus D, Bonus C, Consolation and Championship heats for all events except those which are marked as timed final events. (Swum in the order C, B, A, D)
- The D Bonus final will only be contested for events 200 yards and under. The D Bonus final is limited to 14-16 year olds who did not qualify for the A, B or C final.
- Relays are timed finals. The top 2 heats of the 200 Free, 400 Free, 200 Medley and 400 Medley Relays will swim at night. The top one (1) heat of the 800 Free Relay will swim at night.
- Nine (9) lanes will be used for heats in preliminaries and morning timed final events. Nine (9) lanes will be used for finals / consolation / bonus heats and timed final events swum in the evening.
- The meet host reserves the right to use two pools during prelims on any or all days based upon the number of entries needed to manage the timeline. If two pools are used, even heats will be in one pool and odd heats will be in the other. If two pools are needed to manage the timeline, participating teams will be asked to supply additional timers and officials needed to adequately staff two pools.

### Warm-Up and Safety Guidelines

The meet host will provide a complete schedule of warm-up procedures to include lane assignments and times, which must be adhered to by all participants. This information will be distributed with the meet information at registration, posted throughout the venue, announced on a regular basis before and during the meet, and monitored jointly by the Meet Director and Meet Referee (or their special designees). Flagrant violation of these procedures may result in a disqualification from the meet for unsportsmanlike activity. Encourage your swimmers to cooperate with marshals.

Warm-up procedures may, at the discretion of the host team, be modified based on number of swimmers in the meet and other safety and logistical concerns.

### Warm-Up Procedures

- Participating teams shall be assigned to specific lanes for the warm-up period based on number of participants.
- The coaches of the teams assigned to each lane shall determine the warm-up procedure for that lane.
- If coaches in a lane cannot agree on a warm-up procedure, the session referee should be consulted and shall define that lane’s procedure. The decision of the session referee will be final.
- Except during supervised racing starts, swimmers must enter the pool feet first in a cautious manner with one hand in contact with the pool deck.
- The timing of warm-ups may be by gender, by age group or any mixture in order to keep the number of swimmers warming-up at one time as equal as possible.
- The host may choose to divide the warm-up by team and have an entire teams’ athletes’ warm-up together. In this case, teams should be assigned “early” and “late” warm-up sessions on different days so that no team is advantaged over another.

### Deck Changing

Changing, into or out of swimsuits other than in locker rooms or other designated areas is not appropriate and is prohibited. (Per Aquatic Center Policy, it is cause for ejection from the meet.) The USA Swimming Rulebook defines Deck Change as: Changing, in whole or in part, into or out of a swimsuit (excluding a drag suit) in an area other than a permanent or temporary locker room, bathroom, changing room or other space designated for changing purposes while at a practice, competition, or other pool-related activity.” This includes slipping off the top of a one-piece performance suit to place on an alternate bikini top immediately following a race.

A declared false start under 101.1.3F or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as a failure to compete. In order to remain eligible for subsequent sessions, the swimmer must declare their intention to swim with the Admin Referee prior to completion of the current session.
- In the event of withdrawal or barring of a swimmer from competition the Referee shall fill the bonus, consolation or championship final, when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. The alternates shall not be penalized if unavailable to compete in the finals.
- Where bonus or consolation finals have not been swum and a barred or withdrawn swimmer is known to the Referee, the Referee shall reseed the bonus, consolation and championship final, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final.
- If the consolation final has already been contested, the championship final shall be swum without reseeding for the empty lane(s).
- Failure to scratch consolation or championship finals according to the rules above shall result in a $50.00 penalty fee per event against the swimmer if the event is his/her last event of the meet. The penalty fee shall be billed to the club and paid to the host group member.

- Meet Participants are limited to three individual events per day, including Time Trials.  A declared false start is counted as one of these three individual events per day.
- Time trial sessions will be limited to 1 hour.  If on any day, the preliminary session ends less than 45 minutes before the start of finals warm-ups, the time trials will not be conducted on that day.
- The Meet Host reserves the right to limit Time Trial events 500 yards or longer to a specific day, based upon the preliminary session timelines.  Teams will be informed of this at the General Meeting.
- Events from the current day will be swum first, with events for subsequent days following in order.  Event order may be modified for ease of seeding and timeline control.
- Time Trials for non-meet participants are limited to individuals attempting to achieve a published National Cut (USA Zone, Y Zone, Sectional, Futures, Junior National, Y Nationals, US Open or Senior National).  Entry times for time trials should be within ½ second per 50 yards/meters of the published Time Standard.  The Meet Referee and/or Meet Director have full discretion and authority to review Time Trial entries.
- Time Trials are open to non-meet participants who are current athlete members of Ohio Swimming, Inc.  You **must show** your current USA Membership card, Deck Pass membership card or an official club portal roster at the time of sign-up for Time Trials.
- Time Trial participants must provide their owner timers.
