Please note that swimmers will NOT attend all meets on their group's meet schedule. Coaches will work with the swimmers to determine which meets are appropriate for them, and to make sure YMCA meet participation requirements are met.

Participation in USA meets requires a USA membership. For the gold and silver groups, this fee was included in the Team Fee charged by the YMCA, and you will receive a USA membership. For all other groups, USA membership is optional, but encouraged. There will be an additional \$56 fee for USA membership. A membership drive will be conducted in early September.

The coaches strongly encourage ALL qualifying swimmers to participate in our SEOWV YMCA League Championship meet at Ohio University on March 6-7. Please note there are qualifying times for this meet.

The coaches strongly encourage ALL swimmers to attend the highest level meet for which they qualify at the end of the season.

The Midnight Madness Relay Invitational on October 10th is a fun event for the entire family. All events are relays, and they are not your typical relays! There will be mixed relays, family relays, relays of all one stroke, and many more. Parents and Coaches can swim this one too!
