

### Hotel Information CSP Long Course Meets 2010

As soon as the meet schedule is released by the coaching staff, the office staff begins to look for blocks of rooms for the swim members for the away meets. Usually this process is fairly successful. However, due to other events in the meet cities for the May meets, room blocks have been almost impossible to get. This does not mean that individuals in most cases cannot get rooms, only that the hotels do not have enough rooms available to give a block. Below are suggestions for the two meets in May. It is suggested that if you are planning to attend these meets, that you book as early as possible.

#### **Carbondale Saluki International Invitational May 21st-23rd**

A small block of rooms are being held at the:

#### **Bloomington Indiana Bucceto's Open May 14th-16th**

##### **No Blocks Available**

We are trying to keep the team close together by using 3 hotels that are lined up in a row. There are very many hotels in Bloomington, and availability may open up at the end of April. Also, you will have trouble getting a good rate on this weekend. There is an Adidas Basketball Tournament and a track meet in Bloomington this same weekend. Bloomington is a small town and any hotel that you book will be close enough to the Indiana University pool. This meet is a prelim/final meet, so swimmers will probably need to arrive by Thursday evening. Contact Dave regarding this.
