Each business card ad is only \$25.00, two for \$45.00. Some past participants like to have (2) two, one in front and one in back of our meet heat sheet. The team will print up over 500 heat sheets at the Fall-In meet on November 6-8 and reach an estimated 450 to 600 parents and adults. Last year was a complete success, so join in!

It’s a great deal for you, and all proceeds go into PAC general fund and are earmarked to support children swimming needs and expenses. Overall, the heat sheet advertisement goals this year are to expand the reach to all city interested swimmers.
