

Puget Sound Swim club invites you to become a "2009-2010" PSSC Sponsor!

PSSC was founded in 1969 and has grown over the years into a high caliber competitive swim club with swimmers between the ages of 5 and 18 from Kitsap, Mason, and Pierce Counties. Our success achieved as a non-profit youth organization has been made possible through the financial support of parents and local sponsors. Together they have provided our swimmers with a strong coaching staff, access to South Kitsap High School swimming pool in Port Orchard and the opportunity to compete frequently at local swim meets. Your financial support will ensure our swimmers are able to train using the most advanced methods and equipment. Further it will allow them to participate in swim meets nationwide, at the highest levels of competition for which they qualify.

During the coming year, PSSC swimmers will compete in over 25 swim meets governed by USA Swimming. Whether participating in a championship swim meet or just completing a grueling practice, our swimmers are taught and quickly learn how to strive for and achieve personal excellence through discipline and commitment. By becoming a PSSC Corporate Sponsor, you become instrumental in their development.

Please take a moment to read the enclosed PSSC Sponsorship form to learn how you can become a PSSC Corporate Sponsor. Indicate your interest by returning the form or by contacting PSSC directly. Contributions are tax-deductible and will be gratefully acknowledged in our "home" swim meet programs and on the PSSC Sponsor Board located in the South Kitsap High School swimming pool.

PSSC appreciates your consideration for this request to support our swimmers. We hope you will assist us in our efforts to ensure our young swimmers are able to realize their full potential.

Sincerely,
