

2011-2012 SSC Gold Sponsor

The StingRay Swim Club (SSC) is a non-profit organization committed to building a world class aquatic program for the families of Snohomish County. Current programming includes swimming lessons for children three and above, competitive swim team, and masters swimming.

Donations and support from our volunteers allow the club to operate at the lowest possible cost to individual members, while maintaining a professional staff and access to local aquatic facilities. Donations from members (and non-members) help us in areas of our budget where we are the most challenged.

SSC is extremely thankful to everyone who is able to support the team. Every minute of volunteer time and every dollar donated helps.

The 2011-2012 SSC Gold Sponsor Program is designed to acknowledge some of the really big contributions to our program that allow us to offer a higher level of service to the community.

Qualification: Donation to SSC of \$600 or more

Donations are earmarked to help support:

1. Member Scholarships
2. Team Travel Trip Expenses
3. Equipment For Dryland Training Programs

1. Advertising logo/link for personal business or charity in monthly SSC Newsletter.
