

Congratulations, 2013 PN Zone Team!

Pacific Northwest Swimming fielded a team of 41 athletes, representing 17 different teams. These swimmers who ranged from 9-14; traveled to Roseville, California to participate in the 4 day meet.

The meet was truly spectacular! 16 LSC from throughout the Western Zone sent teams for a grand total of 500 swimmers in the meet. All of these competitors represented their local areas and made the meet fun through good natured practical jokes, trading team gear and racing with respectful sportsmanship.

The competitive environment was challenging to say the least; each morning was cold and the wind seemed constant. By noon the temperatures had risen as the sun was directly overhead making the backstroke events quite different than a normal day of racing at WKCAC. Finals were always HOT! Hot with 90 degree heat and the racing from Team Pacific Northwest. We had so many racers that were winning from the outside lanes it began to seem routine. Regardless of the order of finish; Pacific Northwest Swimmers Rocked!

Following the results on Meet Mobile shows the tremendous strength of the individual athletes on this team. 1st, 2nd and 3rd place finishes; some swimmers having every event finish in the top 3. We had multiple relay teams step it up and bring home medals. Overall we finished 8th and brought home a trophy. We were a small team, relative to the size of the winning team Colorado with 87 athletes.

With team size mentioned; next year Zones will be held at the Aquatic Center. This will be a great opportunity for setting the goal to represent Pacific Northwest Swimming. The Western Zone Championships is a ton of fun; be a part of it.

Thank You 2013 Athletes and Families,

Your Coaching Staff:
