#### **WELCOME SWIMMERS AND PARENTS**

The Redding Swim Team invites you to join our swimming family. The Redding Swim Team is one of 53 teams in Northern California, and is a member of United States Swimming, a national organization with over 750,000 athletes across the country.

Serving Shasta County since 1952, our swim team provides four programs: Redding Aqua Ducks (RAD), Swim America, Redding Summer Ducks, and Redding Adult Swimming. These programs are instructional and educational for people of all ages. Swimmers learn proper swimming techniques, importance of physical fitness, and the rewards of commitment.

The objective of the Redding Swim Team is to provide physical, emotional and social growth of swimmers through training and competition. Swimmers learn the value of hard work and the importance of good sportsmanship. The RAD coaching staff provides an atmosphere where each individual swimmer has the opportunity to reach their full potential by instilling a sense of confidence and self-esteem.

#### Board of Directors RAD Staff Members

Leslie Pincin HEAD NOVICE COACH:

Dave Thompson Beth Heibel Joe Wasko

Mike Williams ASSISTANT NOVICE COACH:

Jessie Tyler

#### **BECOMING A MEMBER**

The team application packet must be completed and all fees paid before a swimmer may enter the water. The application packet includes Information, Team Registration, Emergency Card, U.S.S., or U.S.M.S., registration form and Volunteer Form. <u>Please read all of the information.</u> These forms must be filled out annually.

Our swimming program is the best-priced value in the sports community. To keep dues at the minimum, we expect parents and swimmers to help in all team functions. Parent's support is extremely important to the stability of the program.

#### FINANCIAL AGREEMENT

Our team policy regarding monthly dues and registration is explained in this section:

- Monthly dues are payable by the tenth of each month that a member swims. A ten-dollar late fee may be accessed if your payment is past due.
- If the participant attends one or more practices or a swim meet in a given month, dues are payable for that month. On the check please write in the swimmers' name and month of participation.
- If a swimmer is unable to participate, please notify the office at (530) 246 2666.
- All participants must be registered with USA or USMS. USA/USMS is a secondary insurance policy for the participant, Redding Swim Team, and Shasta Community College, and City of Redding.
- Parents will be required to support team-sponsored events and meets. Your help is extremely important to the programs' stability.
- Checks returned for insufficient funds a \$25.00 fee will be accessed to the party responsible.

#### **RAD'S TEAM STRUCTURE**

Our focus is on the long-term development of each athlete, realizing that all children are different and will progress at their own rate. In order to provide a well-rounded program for all the participants we offer three swim levels: Level I swimmers are considered introductory groups, Level II swimmers are transitional groups, and Level III swimmers are advanced groups. Swimmers are placed into groups based upon their desire, ability and age (maturity). Each child will be placed into the group that best suits their ability as determined by the coach and the athlete.

The goal of the Redding Swim Team is to meet the needs of all swimmers and to ensure each participant receives the attention they deserve. To do this, the numbers of swimmers in each group are limited. **The criteria for each level are as follows:** 

Novice I: This group is for beginning swimmers. It is a development school for participants. Swimmers in this group are 4 years of age and older.

Novice II: In this group, swimmers must be capable of swimming 25 yards using freestyle and backstroke. At this level, concentration will be on the fundamentals of the four competitive strokes, and the enjoyment of swimming. The minimum age for this group is 5.

Novice III: Swimmers should be capable of swimming all four competitive strokes. The emphasis of this group is stroke skills, turns, start techniques, an introduction to competitive swim training, interval training, and reading a pace clock. The minimum age for this group is 7.

Age Group I: This level's emphasis is stroke skills, turns and start techniques. Swimmers will continue to build endurance, speed, and strength training through the combination of improved techniques and progressive training. This is a group for swimmers that are relatively new to competitive swimming. Swimmers are 9-12 years of age.

Age Group II: Swimmers should be proficient in all four competitive strokes, turns, and techniques. The emphasis will be improving the swimmer's performance through progressive and challenging swim training methods. Although competing in swim meets is not required, practices are designed to help the swimmer meet competitive goals. Swimmers are generally 9-12 years of age.

Age Group III: This group is for swimmers interested in preparing for competition, and who are willing and capable of handling progressive workouts. Stroke skills and interval training will be stressed for these swimmers. Swimmers are generally 11-12 years of age.

Senior I: This group focuses primarily on proper technique of the four competitive strokes, starts and turns, and improving skills and conditioning for the sport of swimming, as well as other sports. This group is conducted in a fun and exciting environment. This group is designed for swimmers that wish to pursue other activities outside of swimming while keeping in shape. Swimmers are generally13-18 years of age.

Senior II: This group is a stepping-stone for the Senior III program. Swimmers in this group focus on improving their competitive performance. The emphasis is stroke skills and interval swim training. Swimmers in this group are 13 years of age or older.

Senior III: This level requires a serious commitment to the sport of swimming. The emphasis will be on extensive training for a high level of competition. It is offered to swimmers who are willing and capable of handling progressive workouts. Swimmers in this group are 14 years of age and older.

Masters: This is a group of individuals who are interested in physical fitness. The coach will provide two workouts for swimmers, or they can lap swim on their own. This group emphasis is on meeting swimmer needs.

#### RAD'S GROUP PRE-REQUISITES AND GUIDELINES

The criteria established for these guidelines are to insure that all of the participants on the RAD TEAM have a positive, productive, and successful environment. These are the guidelines that the coaching staff takes into consideration.

- 1. Minimum of three months in the group before movement.
- 2. Meets the minimum age of the group. Some swimmers may be younger if they fall into the movement period.
- 3. The Swimmer meets the swimming skills required.
- 4. Coaches discretion: child's maturation, attendance, and social structure of the group.
- 5. Movement takes place twice a year, September and April. If swimmers' birthday is in the months of December through May, the swimmer moves in April. If the swimmers' birthday is in the month of June through November, the swimmer moves in September. Age is not the only criteria to move up.
- 6. The Staff takes into all of these guidelines when a child should move. We do not base our decision on <u>only one criteria</u>. Our goal is to meet the needs of everyone involved with the Redding Swim Team (RAD).

7. The objectives and guidelines for each level are as follows:

| 1.               | The objectives and guidelines for each level are    | as io                              | ollows:  |  |  |  |  |  |
