POOL / CLUB:

The pool is open until 9 p.m. daily, with the exception of when the club is hosting swim meets (three or four times a summer). Lifeguards are always on duty during pool hours. During adult lap swims and water aerobics, the pool is closed to children. Young children need to be supervised in the wading pool area. They are required to pass a swim test in order to be left unattended in the main pool.

CLUBHOUSE RENTALS:

The spacious clubhouse has floor-to-ceiling windows, hardwood floors, a full kitchen, and a wrap-around deck. It can accommodate up to 250 people, and is a wonderful venue for wedding receptions and social functions. It is available to both members and non-members, with a substantial discount for members.

SOCIAL EVENTS:

The swim season is kicked off in mid-May with an opening day party. Various events are held throughout the summer, including pancake breakfasts, Popsicle days, float toy nights, and swim team and tennis team parties.

SWIM TEAM:

The Aqua Club swim team consists of swimmers as young as five years old through high school. The team competes against seven other outdoor clubs in North Seattle during June and July. Workouts start in late May. Our swim coaches, under the guidance of head coach Matt Edwards, are highly regarded, energetic, and loved by the kids. There is also an adult swim team that practices and competes separately.

SWIM LESSONS:

Lessons are offered for all ages and abilities. They are first available to members (at a reduced rate), and then are opened up to non-members. Sign-ups for lessons are in the club office. "Stroke" classes are offered for those wanting to perfect a certain stroke or competitive skills.

WATER POLO:

Coach "Doc" Zimmer promotes, organizes and runs this activity, open to youths eight to eighteen years old. The team competes against other local clubs, with a championship series in August.

WATER AEROBICS:

Classes are offered for adults several different times during the week. Fun and fitness all in one!

TENNIS:

The tennis courts are lighted and available all year. Club tennis pro Bob Hines offers private and/or group lessons for all ages and abilities. Members can sign up for lessons and court times in the club office during the summer. Adult members are welcome for casual play during scheduled Wednesday night and Sunday afternoon "show-ups." Women's flights meet several mornings a week. Mixed doubles and men's tournaments are held throughout the season.

TENNIS TEAM:

The tennis team is an option for children age nine and over who have had prior lessons and who are able to serve and keep the ball in play. Practice is twice a week with weekly matches against other clubs during the month of July. Space is limited to 40 members.

"THE SPLASH" NEWSLETTER:

Aqua Club's newsletter is published and mailed to members several times a year. It contains information about the pool schedule, swim and tennis teams, lessons, social activities, and more.
