Parking:

We have a parking lot that will fill up fast. Carpools are encouraged. You may park on the street. There are no parking zones on the side of the street closest to the pool. Please observe these signs. You may be ticketed or towed if you choose to park in a no parking area. We will have a parking attendant on hand in the morning to help you find a legal parking space.

There is a crosswalk with a flashing light near the pool entrance; swimmers and families are encouraged to use the crosswalk.

Seating:

Seating on deck (bleachers and tables) is 'come and go' seating. Families with swimmers in the water can come watch their swimmer during their event and then we ask that they leave until their swimmers' next event. This will give everyone an opportunity to see their child(ren) swim.

There will be a large space on the lawn for each team. We will have signs marking a 'spot' for each team. Swimmers and their families are welcome to sit anywhere they please out on the lawn, the signage is meant to help teams find one another should they choose to sit together.
