

**PLEASE NOTE! Swim meets start at 6 p.m. and generally run to 9 p.m. ARRIVAL time is when you need to be on location, ready to swim.**

Away meet arrival time may vary, but usually, swimmers and volunteers need to **be there by 4:30 - 5 p.m.** in order to be swim-ready for warmups and pre-game team building activities. Volunteers need to make sure they are there with plenty of time to check in at the volunteer table and attend training specific to the host team. For away meets, a team email will be sent out prior to the meet, with parking information, warm up times, and specific rules/information from the hosting team. *Don't miss this e-mail, it's important!*

**Home meet arrival time is 4:30 p.m. and warmups start by 4:45 p.m.** The Host team always warms ups first. Like away meets, volunteers need to check in at the volunteer table and attend timer training when announced.

**GO MARLINS!**
