

Sahuarita Stingrays Swim Team Marathon Swim

The Sahuarita Stingrays Swim Team is a SAAA approved swim team composed of Sahuarita, Green Valley, and surrounding area swimmers age 5-18 who are supported only by swim fees, donations, and money making projects. In order for the team to survive, the swimmers must raise their own funds to keep the program functioning. Won't you please help by pledging a small amount per lap for this swimmer? (In making your pledge, please keep in mind that 8 and under swimmers swim shorter laps.) If you prefer, you may simply pledge a set amount for the whole event. This may be easier for you and is also greatly appreciated by your swim team. This year's marathon swim will be Friday, June 6, 2008 at practice. Swimmers will be limited to 100 laps.

Thank you for your support of your Sahuarita Stingrays!!!!
