

## Marine Hills Swim Team 2018 Parent/Guardian Participation Form

For a successful swim season, parent/guardian participation is essential. Our home swim meets are run entirely by volunteers and it takes a minimum of 80 people to run each of our home meets. Because of this, parent/guardian participation is a MANDATORY requirement. Each family is required to work 10 hours for the 2018 swim season. This can be done at one or two meets or spread evenly throughout the swim season.

The jobs at home swim meets range from timing and officiating to working in concessions. For those with young children, we have plenty of jobs where you can contribute and still be available for your children during the meets (i.e. baking potatoes, cutting veggies, or washing dishes). Jobs for all home meets (and post season timing) will be listed on May 25th on the volunteer sign up form on the event page of the member website and are first come first serve.

Each family is required to work 10 hours during the 2018 swim team season. Any hours not worked by the end of the swim team banquet (August 9th) will be charged at the rate of \$20.00 per hour (total of \$200.00). If you elect to not work your volunteer hours, you can prepay for your hours at the reduced rate of \$17/hour (\$170.00 for the season) so long as you pay prior to June 1st. By volunteering, you demonstrate to your swimmer that you value their participation on the swim team.

**Please select one option:**

- I will work the 10 hours during the swim season. Any hours not worked will be charged at the rate of \$20/hour.**
- I choose to prepay my hours (and not work them during the swim meets) and will pay the \$170.00 by June 1st.**
