“SWIM BETTER -- FEEL BETTER -- BE BETTER”

Words form Coach Mark

Yes We Can!

What is the secret of team success?

Very simply - have fun swimming – and love doing it.

Swimming at the Nadadores, fun comes from being honest with yourself.

Swimming becomes fun when challenges are accepted and overcome.

Swimming becomes fun when swimmers love the opportunities it provides, when we realize that we wouldn't miss the swimming experience for anything.

And above all else, swimming becomes fun when we face challenges and experiences together.

Sharing work, success, failure and laughter will make any endeavor worthwhile.

A day in the swimming world never goes by without allowing these special bonds to occur.

Yes We Can - and do all the things we love doing, whether that is raising a family or making a buck, while we strive to achieve excellence in the pool
