Dear Contributor,

The South Sound Titans Swim Team seeks the contribution of any items or services at your disposal to include in our annual auction. We are preparing a gala event for the community and we need your help.

Our auction will be held at the High Cedars Golf Club in Orting, the evening of 21 November from 6:30-9:30 PM. It is one of only two fund raising events we have scheduled for the year. We intend to release to the local press an announcement of the auction, a list of donors and the items they donated, and prepare an informal item catalog to circulate before the evening of the auction.

The individual making this request is an officer, executive, or volunteer representative of SST, a non-profit organization assembled in 2001 to provide competitive swimming instruction to the youth of the south Puget Sound area. We are member club of USA Swimming, the governing body of competitive swimming in America. We are organized under section 501(c)(3) IRS code, which means the fair market value of your contribution may be tax deductible. Our Federal ID number is 91-1328152. As part of this proposal, a copy of our letter of determination from the IRS is attached to validate our status.

You can support our event by contributing consumables, services or gift certificates. We'll also accept cash donations. We'll provide you a receipt for the fair market value of your donation if you provide us the necessary information on the attached form.

The South Sound Titans offer more than after-school activity for kids. We are a family driven organization fueled by parent volunteers. We teach athletes about good nutrition and leading healthy lives. As a private non-profit organization we lack the benefit of tax support. We are not affiliated with any school or other civic organization. One hundred percent of the income from the auction will be deposited into our general fund and used to offset normal operating expenses like pool rental, staff compensation, and equipment purchases. That means your contribution helps support an entire program, not administration.

The young members of the South Sound Titans Swim Team are highly motivated, academically successful, and likely to be tomorrow's community leaders. We teach them skills like goal setting and time management. We offer opportunities to learn about accountability and responsibility. We provide an environment that lets them test limits and discover ways to exceed them. Your contributions make it possible for our athletes to continue to grow and excel. Thank you for your consideration and time.

For more details about this program please call me at 253/880-4647.

Peace,

A handwritten signature in blue ink that reads "Shawn Jones". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Shawn Jones,
Director and Head coach,
South Sound Titans Swim Team
