

As we approach the 2010 Short Course State Championship meets, Kentucky Swimming is proud to officially announce Swimville USA in Louisville as the primary sponsor of Kentucky Swimming State Championship Meets. Swimville USA and Kentucky Swimming have entered into a four-year agreement that will continue through the 2013 long course championships.

In addition to a financial contribution to help Kentucky Swimming achieve its objectives, Swimville USA will also provide swimming apparel for our Kentucky Quad and Kentucky Zone teams at a substantial discount. This will ensure that Kentucky Swimming athletes will be the best outfitted team at these meets. This is not only a positive reflection on Kentucky but it also creates even more excitement and rewards our swimmers for their accomplishments in making these special teams.

Kentucky Swimming is proud and excited to have Swimville USA as a corporate sponsor of our LSC.
