Racing Starts: Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Relay Eligibility: Only swimmers entered in the meet are allowed to participate in relay events unless declared as a relay only swimmer according to the “Relay Only” entry procedure stated below. Each relay team must have at least two swimmers who have any eligible qualifying time in an individual event for the age group of the relay. Meet Format:

Preliminary/final events and timed final events.

A swimmer who has achieved one (1) or more 'BB' qualifying times for the meet may swim up to two (2) bonus events using a 'B' time or faster within the seven (7) event limit. The 'B' qualifying time cannot be used for any event 400 yards or longer.

A swimmer who qualifies for the 1000y free/800m free may swim the 1650 and vice versa using the time standard for the event entered as the entry time, this is not considered a bonus event.

All 10 and under events will be timed finals to be swum during preliminaries.

All relays will be swum in their order in the preliminary session. A swimmer may swim one (1) relay per session.

Positive check-in is required for the 400 IM, 500 Freestyle, 1000 Freestyle, and 1650 Freestyle events. For these events, swimmers must provide their own timer. Positive check-in will close 30 minutes prior to the end of warm-ups on the day of the event. **These events will have a 10 minute break prior to the start of the event.**

The 1000 Free and 1650 Free will be swum as timed finals events during the prelims, combined ages, fastest to slowest, alternating girls/boys. For 13 and older 400 IM and 500 free, the top 8 seeded swimmer will swim in the finals session. The remaining swimmers entered in that event will swim during prelims, combined ages, fastest to slowest, alternating girls/boys.

For 11 and older swimmers, all individual events other than the 400 IM, 500 free, 1000 Free, and 1650 Free will be circle seeded and swum twice regardless of the number of swimmers entered. The swimmers with the sixteen fastest times in each individual event, (except for the 13 and over 400IM and 500 Free) will qualify for finals session.

Entry Limits: A swimmer may enter a maximum of **seven (7) individual events** for the entire meet, and no more than **three (3) individual** events per day. A swimmer may enter **one (1) relay** per session. For relays, time trials count as a separate session. Time trial individual events count as one of the three (3) individual events allowed on a given day, but do not count as one of the seven (7) individual events in the meet.

Entries: All entries must be received no later than **Noon FEBRUARY 10, 2016. NO LATE ENTRIES WILL BE ACCEPTED. Late entries refers to either additional swimmers or additional events.** The only exception to this deadline are any swimmers who qualify at the 8 and Under Developmental Meet (February 13, 2016). These 8 and Under swimmers, who have qualified with 10 and Under state qualifying times, may participate at state meet. They will be added to empty lanes or in a heat by themselves for a timed final event. Affected events will not be reseeded. These 8 and Under swimmer names must be submitted by Sunday, February 14 at 5:00 p.m.

Entries via e-mail of Hy-Tek files are preferred and should be submitted to
