The first game in the afternoon session was the one that would probably establish the first place in Group B of this event. Colombia struck first with an extra man situation. Canada countered with three quick goals from center forward and extra man to get a 3-1 lead at the end of the quarter. The second quarter was a decisive one where Canada broke the game open. They were able to contain Colombia's offensive weapons while scoring four goals from all over the field of play. Their defense was outstanding, not giving Colombia any open looks at the goal. The second half started with Colombia trailing 7-1 and trying to do battle with a still defensively aggressive Canada team. Canada scored twice in the first three minutes of the quarter, but Colombia countered with two quick perimeter goals. Not to be outdone, Canada scored two goals in the last two minutes to increase the lead to 11-3. The last quarter was one of very few shot opportunities for both teams. They exchanged extra man and perimeter goals during the quarter. The winning team was led by Cote (#2) with 7 goals while Colombia's best scorer was Ortiz (#9) with two goals. In tomorrow's session Canada will play Peru and Colombia will go against Barbados.
