COMMENTS

In the last game of the preliminary round, Argentina continued their strong attack at both ends of the floor handling Trinidad and Tobago their third loss of this championship. From the onset of the game, the south American team came out playing with lots of passion and keeping their opponent from developing any kind of attack. Argentina as able to score in counters and from the perimeter while keeping Trinidad from having easy opportunities at the cage. The game was characterized by the amount of turnovers by the host team and the goals scored from those turnovers. Trinidad was able to score two goals in the first quarter while their opponent scored 5. For the rest of the game Trinidad wasn't able to penetrate Argentina's defense. In the meantime, Argentina was methodically moving the ball and had all players active in their offensive scheme. With the win Argentina assured a third place in the preliminary round, They will do battle with Brazil in the first game of the semi-final round. Trinidad will play Canada in the second game of the evening.
