The second game had the teams from Canada and Trinidad and Tobago go against each other for the last spot in the final round and a qualifying berth for the World Championship in Budapest. Canada came out playing a drop back zone and counter attacking every shot and scoring from every position. Canada had 7 different players scoring in the first half opening a comfortable 12-0 lead. Trinidad had their chances but weren't able to score. Third and fourth quarter had Canada still in their drop back defense and patient offense, while Trinidad tried time and time again to penetrate the defense or try to score from the perimeter with no success. With the win Canada earns the right to play for the gold medal. Trinidad will play Argentina for the bronze medal.
