Both teams scored at will mostly from the opponent's mistakes and from the perimeter. This first quarter ended with a 5-5 tie. Peru could just only score one goal during the last minute, cutting the lead to 11-6. After halftime, Peru started mounting a comeback, and at one point the cut the lead to three goals. Colombia never panicked and scored a goal on extra man increasing their lead to four goals going to the last quarter. United States jumped ahead frequent and early in the game to gain control that they never relinquished. Vavic (#2) and Daube (#3) each scored two goals in this quarter. Neither team could capitalize on extra man situation. USA defense was more aggressive and Canada's offense didn't seem to be on track. USA just kept the offensive and defensive pressure during the second quarter, increasing their lead to 6 goals by the end of the first half. Canada's offense came alive in the third quarter, scoring the first three goals of the quarter. USA quietly regained their composure and scored 4 of the next 5 goals. This allowed USA to increase their lead to 7 goals. The last quarter was more of a going through the motion quarter for both teams. With the game in hand, USA played very conservative ball, not making mistakes or turnovers. The victory allowed USA to earn a spot in the gold medal game against Brazil. Canada will play Puerto Rico for the bronze. Three players scored three goals apiece for USA while Canada was led by Jones (#2) and Reber (#9) with three goals apiece.

They scored on counter attacks, extra man, penalties and at every opportunity they had, while Puerto Rico wasn't able to penetrate Brazil's tenacious defense. They won the quarter 6-1 and entered the fourth quarter with an 8 goal lead. Brazil's physical advantage took its toll during the fourth quarter.
