In a match between CCCAN rivals, Mexico and Puerto Rico went to battle for the third spot in the medal round and a spot for the world championships next year. Both teams worked real hard getting the ball to the post. Mexico was more effective from center post while Puerto Rico scored effectively from the perimeter. Mexico went ahead 3-1 with an extra man goal, but Puerto Rico was able to counter with a penalty goal. The second quarter was all Puerto Rico at both ends of the pool. They were able to clog the middle, forcing many Mexico turnovers. On the other side of the ball, they scored frequently from the perimeter, especially sharpshooter Andino (#6) who scored three consecutive goals to open a close game to an 8-5 lead. Puerto Rico just kept the strong and effective shooting in the third quarter, with once again Andino leading the charge with three more goals. Mexico had to rely on some goalkeeper lapses to score three goals and close the score to 13-8 at the end of the third quarter. The last quarter was more Puerto Rico playing strong defense and passive offense while Mexico tried to score from all angles of the field of play with no success. With the win, Puerto Rico earns a spot in the semi-final round against Brazil. They were led by Andino (#6) with 6 goals. Mexico, led by Martinez (#3) with 5 goals, will play Argentina for positions 5-8.
