COMMENTS

During the second women's game of this session, Canada came out strong and finished on top with a 10-7 victory over Mexico. The Canada team was able to open a 1-1 tie with two quick goals in back to back possessions, a lead that they would never relinquished. Mexico countered with a goal of their own in the second quarter and played relentless defense, which let them keep the game close at halftime (3-2). The decisive third quarter had Mexico not been able to capitalize on their extra player situations and Canada scoring from the perimeter and center post to take a commanding 4 goal lead (8-4) at the end of the third quarter. Mexico came out playing with a lot of passion in the last quarter, but Canada was able to contain them, playing smart offense and an error free game. Orlova (#10) led Canada with three goals. They will play Puerto Rico during the fourth day of competition. Mexico, who will play Trinidad and Tobago tomorrow, was led by Espadas (10) with three goals.

The last game of the session was between Puerto Rico and Brazil. The South American team came out strong at both ends of the pool, taking a 4-0 lead at the end of the first quarter. They scored on extra man and from the perimeter at ease during this quarter, while Puerto Rico couldn't mount a consistent offense. During the second quarter, Brazil kept the defensive pressure and played more conservative in offense. Puerto Rico was able to score an extra man goal closing the gap to 6-1 at halftime. During the third quarter, Brazil scored on penalty, extra man and from the perimeter while Puerto Rico could only score from extra man and perimeter shots. Fourth quarter was more of the same for both teams. Puerto Rico just couldn't pound the ball inside while Brazil did it frequently and with success. Puerto Rico was led by Andino (#3) and Roman (#9) with two goals. Cardoso (#3) and Belorio (#4) led Brazil with 3 goals. Puerto Rico will play Canada and Brazil will play United States.
