In a battle of CCCAN countries, Puerto Rico came out on top by the score 15-10. The game wasn't as close as the score indicates. Puerto Rico came out sizzling from the beginning, leading 3-1 at the end of the first quarter and 6-1 at halftime. Most of the goals came from perimeter shooting and from center post. After halftime, Trinidad regrouped and started playing more aggressively at both ends of the pool. At one point they were able to cut the lead to three goals (13-10), but Puerto Rico kept their cool and scored two goals in consecutive possessions, closing any opportunity their opponent had for a victory. Trinidad was led by Daniel (#6) with four goals, while Puerto Rico had Zayas (#7) as their top scorer with 4 goals. For Puerto Rico two other players had three goals and two others had two goals. For tomorrow, Trinidad will not play and Puerto Rico will go against United States

Canada's constant pressure at both ends of the pool was too much for Jamaica, who fell 24-0 in the last game of the third day of competition. Canada started slowly but after the first quarter they just kept pounding Jamaica with their quick offense and skillful defensive scheme. Jamaica wasn't able to penetrate Canada's defense and weren't able to take aggressive offensive attacks during the whole game. Canada just relied on their defense to counter attack every mistake by their opponent to score easy goals. Rizopolous (#3) was the leading scorer of the game with 7 goals. For tomorrow's session Canada will have a bye and Jamaica will play Mexico.
